

Daniel Mattiasson
Director

Daniel Mattiasson is a director based in Stockholm, educated in London. His approach for film and story-telling begins with figuring out exactly 'How the project should feel and be experienced'. Once the essence of the emotion is established, Daniel creates the structure for an elegant and powerful impact.

This has led to high class visuals, awarded short films and commercials for clients such as Volvo Cars, Polestar, Hasselblad, Craft, Lindex and many more.
